

# LK<sup>®</sup> HELPS GROW PRODUCE SALES

LK<sup>®</sup> Packaging Produce Pouches are a fantastic way to display produce and drive sales in a grocery store, produce stand or farmer's market. These crystal-clear vented pouches can help encourage impulse sales because they make the produce inside them look great and they provide grab-and-go convenience that makes them irresistible!

# LK® Melon Pouch

Allows you to offer greater convenience, freshness and value to your customers, while improving the financial results for your company.

The easy to carry bag makes this a great addition to your current Grab and Go program.

Contact your LK Representative to learn more about creating a cut watermelon program.

### Consumer Benefits

- Attractive design of pouch with easy to carry handle
- Resealable bag for later consumption of unused watermelon
- Bottom gusset and non-leak design makes for easy and mess free storage in the consumer's refrigerator

### Retailer Benefits

- Easier to process in less amount of time reducing labor hours and cost
- Use of one product instead of tray and overwrap reducing clean up and expense
- Improved food safety levels
- Decreased shrink and waste
- Improved financial results
